TIME OF DEATH: 02:30 hours declared by DR. KRAUSS; DR BAKER ME

(Supplement 1)	Reporting Officer: CHRISTNER, ROB	10/23/18
----------------	-----------------------------------	----------

On 10/23/18, RO and Det Sgt Teed responded to an abandoned bike in a vacant lot next to 304 N Cass St. We responded to the lot and Det Sgt Teed advised it matched the bike that he had seen Jack Lunneen on Friday the 19th. RO then saw a ball cap on the other side of the fence in the yard of 313 N Main St. Upon retrieving the hat, RO saw a Sharpie pen and a green Bic Lighter near by. We then drove around the block so we could gain access to the items. When we drove around the corner, RO observed a flannel shirt laying in the grass by the road. RO got out and checked out the flannel shirt. When we picked up the shirt we found a Samsung cell phone inside as well as some misc papers. RO went through the papers and discovered a receipt with the name of Jack Lunneen. We then searched the yard further and then discovered two shoes in the front yard of 313 N Main St. Be advised that this address is right across the street from 101 W Union. RO took photographs of the items and placed them into evidence. Nothing further at this time.

Information:

On 12-14-18, I obtained a Search Warrant for the Samsung Cellphone I had recovered from Jack Lunneen's clothing. Prior to obtaining the Search Warrant, I was able to power up the cellphone after finding a similar charger. Once the cellphone was turned on, I was able to determine the cellphone belonged to Jack Lunneen. There were messages and information on the face of the cellphone that led me to believe it belonged to Jack Lunneen. After inquiring with Chief Toliver about accessing the cellphone, it was determined that a Search Warrant would be needed.

Search Warrant Obtained:

I drafted a Search Warrant for the Samsung Cellphone on 12-14-18, and it was approved by Assistant Prosecuting Attorney Jane Wainwright. The Search Warrant was then signed by Magistrate Robert Clark. A copy will be included with the file.
